Dedication

We the Acorn Staff of 1970-71 wish to dedicate this yearbook to a woman whom we feel greatly deserves it. She began her teaching career at Oakwood Township High School in 1958 and continued until 1963. After an absence of four years she returned and has taught Driver's Education and Girls Physical Education for the past four years. She has worked hard and given much of her time toward the success of the Girls Athletic Association and especially the G.A.A. Bowling League. She is both friend and teacher to the students of O.T.H.S.

It is our honor and privilege to dedicate this yearbook to Mrs. Norma J. Jenkins

Message from Our Superintendent

George R. Harrigan

The past four years have taken from each of us, and as Emerson said about the Passing Years: "They also teach much which the days never know."

This is true of our high school days; whatever any one day's or week's experience might have been, the cumulative record or the years we spent here shall be one of positive experience in learning.

Each of us must know that knowledge will be turned into wisdom only through the experience of responsible use of that knowledge, that we must trust, listen and speak in good faith, and that we must not mistake our stubborness for convictions.

Let us know and understand that possession of correct answers to all questions, and solutions of all problems is given to none of us. With these lessons learned in the past, we shall go forward to meet the new challenges with new learnings and with new experiences.

"We have crossed the bay . . . the ocean lies beyond . . . "

Cross Country

The cross-country team had a fairly good season this year with a 10 and 5 record. Losing to Danville, Paxton, and Bismarck.

The team had four returning lettermen--Joe Barnes, Bill Hill, Chuck Mabry, and Terry Wonderlin. The team was backed by Jay Mitchell and first year man Carl Cox. Bill Nelson, Boll Cramer, and Charles and Greg Lomax came out late in the season and were a great help in the big meets.

A new school record of 14:09 was set in a tie between Hill and Wonderlin, which was broken two days later by Wonderlin and Hill and the new record was set at 13:57, this too was borken by Hill and the record was 13:56 and this was broken again and set at 13:41.

Other than the school record at Oakwood, Bill Hill also set a new course record at Georgetown.
